Mr. Joseph D'Alessandro and Wife Olga [WRBG-LP 107.9 FM Millsboro file a  
informal objection, oposition to Cox & Great Scott Docket 04-409

Me and Olga are disabled we have over \$40,000.00 thousand dollars and  
a 25 year lease on studio, our LIFE SAVINGS.

We are protected by.

Substantive Law

The part of the law that creates, defines, and regulates rights,  
including, for example, the law of contracts, torts, wills, and real  
property; the essential substance of rights  
under law.

Substantive Due Process

"Substantive Due Process" is the fundamental constitutional legal  
theory upon which the Griswold/Roe/Casey privacy right is based. The  
doctrine of Substantive Due Process holds that the Due Process

Clause not only requires "due process," that is, basic procedural rights, but that it also protects basic substantive rights.

"Substantive" rights are those general rights that reserve to the individual the power to possess or to do certain things, despite the government's desire to the contrary.. These are rights like freedom of speech and religion.

Question, there is something wrong here, why would Great Scott who has to stay in

Fruitland MD. 107.5 FM at 18.5 Thousand watts, change to 107.7 FM at 6.0 thousand watts ??????? they lose 2.5 of the coverage area by changing to 107.7.

What God do they serve.

There is something between the lines we know nothing about until FCC approves.

Cox & Great Scott own over 20 stations in this market, there is a change of money here

[Fraud & RICO].

PENDING

LAWSUIT CLASS ACTION

Honorable Senators & Congressmen & Ladys.

I am Disabled and will lose my life savings I am poor.

Please read carefully and understand

Sunday, 29 July, 2007

Period before the decision or conclusion.

Honorable Judge Richard L. Sippel

I need you and/or Mr. John H. Karousos to get to me, ASAP,  
or I am Filing A Federal Lawsuit and I will win, I have over \$40,000.00

thousand dollars in WRBG-LP plus a 25 year lease on Studio,  
WHY ?????????? Because Mr. John H. Karousos and The FCC said I must  
spend the money  
or you can not have Station, They under SUBSTANTIVE FAIRNESS AND LAW  
MUST PROTECT ME. FROM thieves

when WNSJ-FM 107.7 moved from Bridgeton New Jersey to outside  
Philadelphia PA.  
to 107.9 FM it left Bridgeton NJ & Port Norris NJ with no Radio Stations  
except a Public Radio Station Non-Commercial, and a LPFM non  
commercial station.  
Max watts 2000 with out FM full power station [gone].

This move should not of been allowed, in doing so Port Norris must  
be granted the License for 107.7 FM not COX or GREAT SCOTT who are  
thieves for lust of MONEY.  
and have the markets flooded with stations in VA. and MD. with up to  
500000 thousand watt stations.

I will tie you up in Federal Court to U.S. Supreme Court, and  
futhermore with  
INJUNCTION, Federal Rule of Civil Procedure 65(d), based on my  
Substantive Due Process,  
Substantive Due Civil Rights and Liberties  
[ fairness I have over \$40 thousand dollars invested in WRBG-LP to  
be under FCC control, ]  
and Substantive Law.

"Fairness"

"Substantive Due Process," the Supreme Court has developed a  
broader interpretation of the Clause, one that protects basic  
substantive rights, as well as the right to process. Substantive Due  
Process holds is that the Due Process Clauses of the Fifth and  
Fourteenth Amendments guarantee not only that appropriate and just  
procedures (or "processes") be used whenever the government is  
punishing a person or otherwise taking away a person's life, freedom  
or property, but that these clauses also guarantee that a person's  
life, freedom and property cannot be taken without appropriate  
governmental justification, regardless of the procedures used to do

the taking. In a sense, it makes the "Due Process" clause a "Due Substance" clause as well.

THE NAB AND ALL OFFICERS IN THERE OFFICIAL AND  
INDIVIDUAL CAPACITY WHO CONCEAL THEMSELVES FOR SHELTER  
AND/OR PROTECTION BY ILLEGAL LAWS AND RULES AND REGULATIONS

I am not relocating anywhere unless you pay for rent etc. NAB whole deal.

## I. JURISDICTIONAL BASIS

Only Sec. 301 deals with radio and its pertinent sections read as follows:

Is the FCC enforcing the law when it prosecutes low-power broadcasters, or is it engaged in perpetrating a grievous fraud against the American people?

According to Federal Law 47 CFR Sec. 0.405 Statutory Provisions

The Federal Communications Commission was created by the Communications Act of 1934, 48 Stat.

1064, June 19, 1934, as amended, 47 U.S.C. 151-609.

The FCC was created by an ACT OF CONGRESS. For the purpose of regulating interstate and foreign commerce. The power of law is in the details, especially the definitions of words and phrases. Just what is interstate and foreign commerce in communication by wire and radio"?

The common meaning of the word "interstate" is "of, connecting, or existing between two or more states...." "Commerce," in this context, means "the exchange or buying and selling of commodities on a large scale involving transportation from place to place."

"Foreign" means "situated outside a place or country."

This is The Law you just can not change it for your benefit. That is Mis Prison Of a Felony.

UNDER FEDERAL LAW AND TITLE 15 COMMERCE AND TRADE CHAPTER 1—MONOPOLIES AND COMBINATIONS THE FCC DOES NOT HAVE JURISDICTION OVER WRBG-LP OR ANY LPFM STATION OR ANY CITIZEN OF THE REPUBLIC OF THE UNITED STATES WHO WISHES TO EXERCISE THERE UNITED STATES CONSTITUTIONAL RIGHTS AND/OR FIRST, NINTH, AND FOURTEENTH AMENDMENT RIGHTS. lpfm-lp Broadcast under "INTRASTATE" not "INTERSTATE".

"INTRASTATE" Relating to or existing within the boundaries of a state.

"INTERSTATE" Involving, existing between, or connecting two or more

states.

The FCC exists solely to regulate "interstate and foreign commerce";  
that is, commerce between  
states and other states and/or countries
